Staff is requesting a postponement of public hearing of the following code amendment from the January 22, 2013, Planning Commission meeting to the February 26, 2013 Planning Commission agenda.

Consider and ordinance to amend Chapter 25-9 of the City Code with regard to the City's cost reimbursement and cost participation of certain water and wastewater infrastructure that is oversized at the request of the City.

The postponement will allow: additional time for staff to revise the draft ordinance for the item, and for the Water and Wastewater Commission to review the proposed amendment.
